1. Describe your experience in hunting upland game and/or waterfowl, give species hunted, your common style of hunting and the period over which you've hunted these species.
2. Over the past x seasons, how many days on average have you hunted birds?
3. List and summarize the different versatile- or other hunting dogs you've owned, trained, tested or just hunted over?
4. List or summarize the versatile hunting dog tests or trials in which you've handled a dog (include testing organization and test level).
5. List or summarize your participation and volunteer work connected with versatile or other hunting dogs; i.e. planted birds, gunned, test secretary, field marshal, fund raising, coordinating training days, etc.
6. Briefly describe your involvement in dog breeding, if any.
7. Briefly describe other dog activities you've participated in. (i.e. blood tracking, obedience, etc.)
8. Provide any other comments that may apply to your qualification as a VHDF judge.
